

Giovanni Barcelos

Operations, Systems & Automation Professional

Fortaleza, Brazil · +55 (85) 99740-5232 · giovannibarcelos@gmail.com · linkedin.com/in/giovannibarcelos · <https://giovanni-portfolio-seven.vercel.app>

Professional Summary

Operations and systems professional with about three years of US real-estate transaction coordination experience across buyer-side and seller-side workflows in North Carolina and South Carolina. Builds practical workflows for lead intake, CRM, marketing triggers, documentation, scheduling, closing and records organization. Native Portuguese, fluent English (B2/C1, TOEIC 880) and intermediate Spanish.

Core Capabilities

Operations coordination; executive and administrative support; transaction coordination; CRM and lead intake; workflow and process improvement; documentation and SOPs; scheduling and calendar management; customer and client support; marketing and content operations; WordPress and web workflows; lightweight automation.

Selected Operational Achievements

- Designed operational workflows connecting lead intake, CRM, marketing triggers, buyer/seller transaction steps, closing and records organization.
- Converted Seller Net Sheet work from a manual spreadsheet/document process into a lightweight HTML/Google-based workflow integrated with the broader operation.
- Rebuilt an outdated WordPress presence while preserving 14+ years of legacy content on a separate functioning reference domain.
- Supported US real-estate transactions with MLS Canopy, SkySlope, Zillow Showcase, CMA support, scheduling, email and documentation.
