CORE STRENGTHS

Operations & Process Improvement	Workflow Design / CRM / Automation
U.S. Real Estate Operations	Transaction Coordination
Executive & Client Support	Video Editing & Content Operations
Digital & Web Operations	Sales Prospecting & Lead Generation
Interpretation & Translation	Spreadsheet & Document Workflows

SELECTED EXPERIENCE

Founder & Systems Developer | SAGAZ
Sep 2026 - Present | Fortaleza - Remote

- Develop practical web tools and AI-assisted workflows connecting operations, CRM, marketing, customer service and execution.
- Build solutions for approvals, review cycles, content operations and repeatable workflow improvement.

Real Estate Operations & Transaction Coordination | RE/MAX Executive Group

Nov 2023 - Jul 2026 | North Carolina & South Carolina, USA - 100% Remote

- Coordinated buyer- and seller-side transactions from contract to closing, including documents, disclosures, deadlines, closing records and follow-up with parties involved.
- Managed calendars, scheduling, email, listings, CMA support and executive/client assistance.
- Worked with MLS, Canopy, Matrix, SkySlope, Zillow / Zillow Plus / Showcase and kvCORE as applicable.
- Improved spreadsheet and document workflows connecting leads, CRM, marketing, transactions, archives, finance support and time tracking.
- Supported YouTube video production and repeatable publishing workflows.

Independent Digital, Systems & Marketing Operations | MidiaHub
Jun 2014 - Present | Brazil - Remote

- WordPress, web design, SEO, content, digital marketing, workflow design and commercial operations.
- Rebuilt an outdated website while preserving more than 16 years of historical content in a functional legacy environment.
- Built tools for approvals, reviews, catalogs, orders and inventory, plus repeatable YouTube editing and publishing workflows.
